1. Introduction

This document has been produced as a requirement of the Information Commissioner’s Office (ICO) and introduces a Model Publication Scheme in response to Section 19 of the Freedom of Information Act 2000.

The Model Publication Scheme provided by the ICO for schools and academies has been adopted by Trust in Learning (Academies (TiLA) with effect from October 2019.

The Model Publication Scheme provides a list of the information routinely published by academies which the ICO expects them to make available unless:

- They do not hold the information
- The information is exempt under one of the FOI exemptions or Environmental Information Regulations (EIRs) exceptions, or its release is prohibited under another statute
- The information is readily and publicly available from an external website; such information may have been provided either by the Trust or on its behalf. The Trust must provide a direct link to that information
- The information is archived, out of date or otherwise inaccessible, or, it would be impractical or resource-intensive to prepare the material for routine release

If the information is held by another public authority, the Trust will provide details of where to obtain it.

2. Guide to the information available from the Trust under the Publication Scheme

The table at Appendix 1 details the information routinely published. Next to each category of information is indicated the manner in which the information described will be available.

For items not routinely available, TiLA will usually make a charge. This will be calculated on direct labour costs based on the time spent in researching and collecting the information. TiLA will also charge for photocopies or scanned documents and/or the direct cost of putting the information into other requested formats, plus postage if applicable. Charges are included in Appendix 1. In certain circumstances, TiLA may waive the fee at its absolute discretion.

Confirmation of any payment due will be given prior to the information being provided. Payment will generally be requested prior to the provision of the requested information.

3. Written Requests

Information held by TiLA that is not listed in the publication scheme can be requested in writing and will be considered in accordance with the Freedom of Information Act. Please mark all such requests clearly with the words Freedom of Information Request.

Please email requests to dpo@tila.school or send in writing to:
